Deputies' Meeting

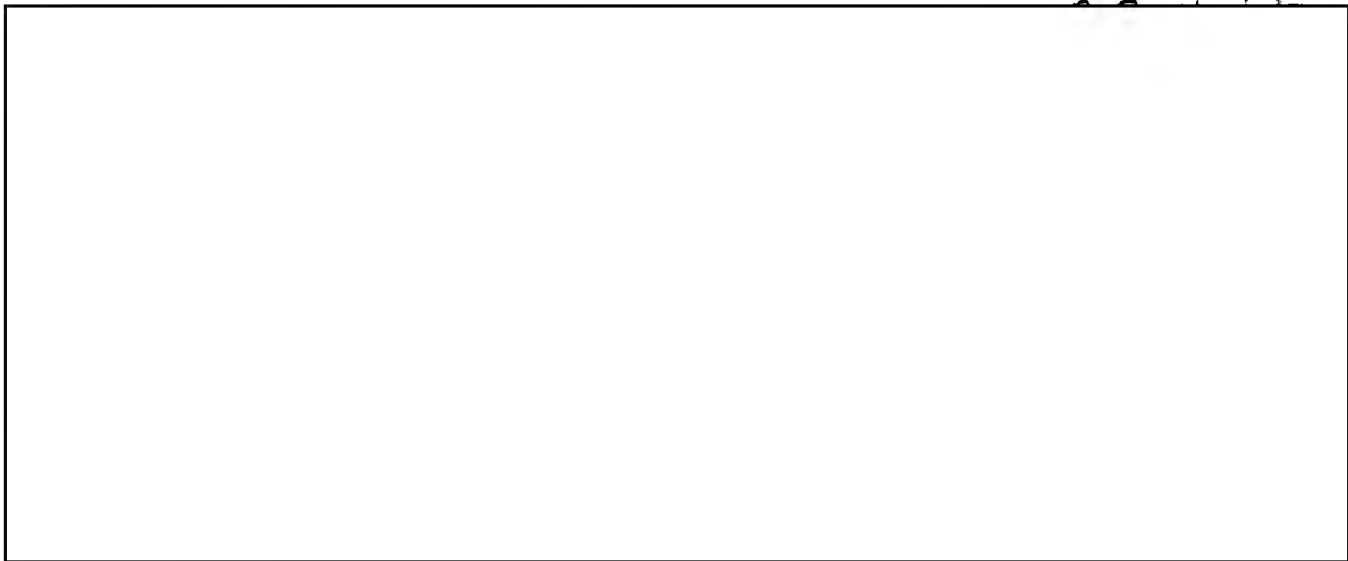

Monday, 22 September 1952

PRESENT: General Smith, Messrs. Wisner, Becker, Hedden, Col. White, Mr. [] 25X1

General Smith:

25X1 a. Raised the question of a proposed change in [] law which would 25X1
affect the operations of [] and asked Mr. Wisner to discuss this matter with 25X1
Mr. Hedden.

S-7-24-5-

Mr. Wisner:

25X1 a. Reported that [] had briefed the President on a certain
matter. The Director stated he was aware of this and briefly outlined the
President's policy in this regard which is contained in a separate memorandum
for the record/copy of which has been furnished DD/P. (
original of which is in sealed envelope in JSE's safe.

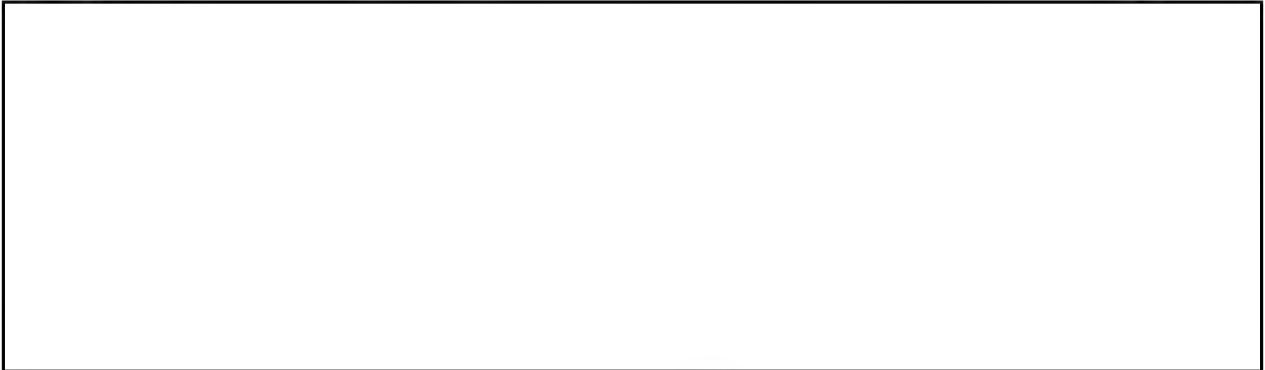

25X6 c. Reported that word had been received that there was indication
of Communist penetration of some of our activities in [] and orders had 25X1
been issued to cease one activity in particular until a full investigation
had been made.
